

Raspberry Pi 400 DE Kit

Order number:	RPI400-KIT-DE
Hersteller:	Raspberry Pi Foundation
EAN:	0633696493025
Herkunftsland:	Großbritannien
Zolltarifnummer:	84715000
Gewicht:	1.388 kg

Equipped with a quad-core 64-bit processor, WLAN, dual-display output and 4K video playback, the Raspberry Pi 400 is a complete computer, built-in into a compact keyboard.

The Raspberry Pi 400 is ideal for surfing the web, creating and editing documents, to watch videos and to learn how to use the Raspberry Pi OS desktop environment.

Raspberry Pi 400 is available in different regional varieties, and either as a computer kit that contains everything you need to get started, or as a kit that requires additional components (except TV or monitor), or as a single Pi 400.
