Datenblatt

seeed Grove - Servomotor

Order number: SE-316010005

Hersteller: seeed
Herkunftsland: China
Zolltarifnummer: 84733020
Gewicht: 0.013 kg

The Servo motor is a rotary actuator that allows for precise control of angular position which makes them suitable for use in closed-loop systems where precise position control is needed and is commonly used in electronics. Grove - Servo is a bonus product for Grove lovers as we regulated the three-wire servo into a Grove standard connecter. You can plug and play it as a typical Grove module now, without jumper wires clutter.
